## Swachh Bharat Urban - MOUD

#### http://SwachhBharatUrban.gov.in

#### **Mission Progress**

 All new Status on Mission Progress gets reflected on Mission Progress Dashboard. Of 4041+ Municipalities in 650+ districts, 3802 ULBs are active. 75 million plus cities are being monitored separately.

Special Emphasis on Promoting segregation of waste at source, Door to Door Collection of Waste, Night sweeping for large cities etc.. Composting for smaller towns, Cluster management for solid waste processing for medium towns etc.., IHHL, Community & Public Toilets creation, Running IEC awareness campaigns, Executing theme based fortnightly sanitation drives like for mandis, schools etc..

#### Support to ULBs for SBM Implementation

• Portal gives guidelines to Urban Local Bodies on Tendering/ Contracting, Innovation in Technologies, Other capacity Building materials, Advisories etc..

#### 4000+ Statutory Towns facilitated on the portal

• ULBs can update Wards, City Sanitation Plan , Theme based City sanitation Drives, CT/PT/SWM details etc..

#### All State Level Nodal Agencies facilitated on the portal

 States can enter State Mission Targets, Download Sanctions & Releases, Monitor Progress of SBM in ULBs etc..

#### Mission Directorate facilitated on the portal

 Mission Directorate can view the Mission Progress Dashboard on progress in Swachhata Doot Identification across 70000+ wards, Individual Household Toilet Construction, Community & Public Toilets commenced, completed, Solid Waste Management etc..

#### Individual Households/ Citizens facilitated on the portal

 Individuals can sign up on the portal & file application for Construction / Conversion of Individual Houshold Toilets. Expected Target 1.04 Crore Household Applications during Mission Period till Oct 2019.

#### Login Credentials

Those ULBs that have not yet registered on the portal, need to send an email to **sbm-mud@nic.in** by uploading a letter from EO forwarding the name & designation, email & Mobile Number of the nodal officer for getting Login & password.

#### **Forgot Password**

If the ULB has forgotten the password, the nodal officer may click on Forgot password button to regenerate password. Enter your loginID & enter the code on the screen & submit.

The system will send an OTP to your mobile. Enter that OTP on the screen and the code & submit.

#### **Forgot Password**

# User is taken to the next screen where he can give a new password & confirm the new password & submit.

veloped by National Informatics Centre, Govt. of India. Content Owned and Maintained by Ministry of Urban Development.

#### **Mission Organisation**

#### Under Organisation menu option is available the Contact Details of Mission Directorate at National Level & State Nodal Agencies

#### About Swachh Bharat Mission

#### It gives Broad Outline of the Mission – Objectives, Yearwise Targets, Statewise Budget allocation, Release & Disbursals by the Ministry.

#### **Statewise Releases**

# Click on a particular component for a state in a particular year , to view the sanction order for that State

#### State/Cities Option

State level, City level & Ward level information as well as Model RFPs, Technical Help etc. are available for view under this menu option. State/District/ Cities need to login to update information.

#### State level Information

# State Nodal Officers can update nodal officer details for ULBs & districts in their state and reset passwords for them.

@2013. Software application Design

## **District Level Information**

District nodal officers can login and update details of District Level Review Monitoring Committee (DLRMC) meetings for the states to see was developed on behest of Karnataka. District level Logins have been taken by states of Karnataka & Kerala

#### **City Level Information**

ULB's nodal officer needs to check Wards master list once, needs to mandatorily update Swachh City Plan once and Theme based Sanitation Intensive Drive details as undertaken by them. All ULB nodal officers contact details are available statewise for reference.

DO letter regarding change in SBM Guidelines

swachhbharaturban.gov.in/updateWardDetails.aspx?id=fe534d1c91a2739f34ab2ad67ffa42

#### **City Level Information**

All ULBs to update Wards Master List under City Level Information before the wards will get reflected in IHHL application. If there are more wards in the list then actual an email may be given to <u>sbm-mud@nic.in</u> for removal of extra wards

IV. City Level Consultations/ Approvals

## Ward Level Information

ULB nodal officer can add Swachhata Doot identified for the wards, Mandatorily enter data of Community/ Public Toilet Blocks Commenced/Completed, Solid Waste management Collection &Transportation Inventory created etc..

#### Ward Level Information

At ward level the ULB nodal officers can enter details and load geo tagged photos of Planned/ Completed Public & Community Toilet Blocks.

Also Nodal officers can login & enter details here and geo tagged photo and lat/long details can be picked up later from site by Android based Mobile app given in http://mSBMUrban.gov.in

https://swachhbharaturban.gov.in/PannedForPublic.aspx?id=86841086b82a57240d7b84580cdca3d2#

#### Geo tagging of Completed Toilets

For Geo Tagging on the web portal, click on the Link Map and on the googlemap displayed zoom in to your city then street, The Latitude & Longitude are displayed which can be selected for Lat & Long on the grid for that Toilet Block.

Long: 77.42720

\*\*\* ZOOM in the Map using Scroll Button of mouse or +,- in Map to Select Your Location to get Lat & Long Values. Copy & past to Toilet Block entry Fields for Lat & Long \*\*\*

#### SWM – Collection & Transportation at Ward Level There are two tracks here, One for Under Tender /Procurement Process & Another for Procured & Operationalised Inventory.

#### SWM – Processing & Disposal Data Entry at ULB level

#### IHHL Constructed Toilet Photo Upload

For any Application ID available in the system, constructed & commenced toilet photo upload along with geotagging by googlemap is available. CSCs are being paid by MOUD for Application & as well as IHHL Toilet photos upload.

All Constructed Toilets have to go through Verification & approval process before approval letter for second and final instalment can be released.

#### **Bank Integration Process**

All ULB approvers are supposed to enter their preferred banking account details for generating & sending beneficiaries detail to their bank including bank branch's emailid. Next approver has to select all beneficiaries for which one or both instalment have been paid physically. They will not feature in approved beneficiaries list for banking purpose.

## Physical Payment Done

The applications can be selected by application Id or applicant name or ULB approver can give wardwise search to select multiple applications for Physical payment option. Default if selected is first instalment paid, ULB has to choose if both instalments paid.

#### Bank File Generation at Approval – In pipeline

Bank file can be generated while approving new applications or it can be done in bulk for already approved applications. On application approval, it prompts to continue with generation of bank file or go back to continue approval of applications.
